## Pre-school room

### School readiness

*Next term we will be getting the children ready to start school, this does not just mean learning to read and write it also means listening to instructions, taking turns, negotiating with others, being able to dress yourself, putting your shoes on, lining up, and much much more. These skills are very important and we will be practising them next term.*

*Please ensure you let us know which school your child will be attending so we can arrange appropriate transition.*

*PLEASE ensure your child has a spare set of labelled clothes at nursery we are very low on spare clothes!!!!*

*Kayleigh, Sam, Roxi and Danielle*

## Tiddler room

*We are going to be doing lots of Easter crafts over the next few weeks.*

*We have attached a "What I did at home sheet to the newsletter and would be grateful if you could fill it in and return it to your child's key person.*

*This term we will be learning about big and small and encouraging the children to be artistic with lots of messy play and painting!*

*Jayne and Jo*

We have had a lot of parents this term arriving early for their sessions.  
Reminder: parents please do not drop your children off early as we do not have the staff to accommodate this.

THANK YOU

- We always need more items for our junk modelling, cereal boxes, tubes, ribbons etc. any items gratefully received. The children love making models so we get through quite a lot!!*
- Just a reminder to parents that we have a NO NUT POLICY at nursery, so please do not include anything that contains nuts in your child's lunch box.*

***Don't forget we are shut the week of the 4th April 2016 and funding will resume on the 11th April 2016***
