Pre-school room

This term in pre-school we have been starting our school readiness practice. We have been lining up to use the bathroom and to move into the physical play room. We have been enjoying looking at our letters and sounds book seeing which ones we recognise. We have also been using our writing area practising pencil control.

We ask could all parents let us know of any visits to their children's new schools and let us know when they are happening.

We will be having our end of year party on **Monday 18th July from 11:30 until 1pm.**

All children are welcome to attend but if your child is not normally in on this day we do ask that parents stay with their child. Any parents of children that are normally in on this day are more than welcome to come back at 11:30 and join in with their child at the party.

Sam, Kayleigh, Jayne and Roxi

Tiddler room

This term in toddler room we are carrying on our work promoting independence with our lovely children. We will be encouraging them to dress themselves using dressing up clothes and also to help at snack time by giving out plates and cups. We have also been promoting hand washing before snack and lunch time.

We have improved our messy area, we have paint and glue out every day.

We have also been using our sand kitchen, making yummy sand pies!

Jo and Dannielle.

Could all parents be aware we are still running low on spare clothes. Any your child has outgrown at home would be gratefully received!

We always need more items for our junk modelling: cereal boxes, tubes, ribbons etc., and any items gratefully welcomed. The children love making models so we get through quite a lot!!
