## September 2016

### Pre-school room

Welcome back Pre-school! We hope you've had a lovely summer. Our topic this term is 'all about me'. We would be grateful if we could have any lovely pictures of pre-school playing at home and of any pets we all have to put on display.

We are also looking at healthy eating and understanding which foods are good for us and which foods should be enjoyed as a treat. We have been enjoying playing our healthy eating matching game and are getting very good at coming up with our own ideas of extra foods.

Kayleigh and Jayne

### Tiddler room

Welcome back toddlers! We are really happy to say that all toddlers have been settling in really well to the room and interacting well with their new friends!

We will be carrying on working with the children settling them and finding out their different interests and likes.

For the older children we are focussing on their communication and language, encouraging them to use all their lovely words.

Jo and Dannielle

*Kind reminder to all parents that we are a nut free nursery due to possible allergies. Please could we avoid food with nuts in and also chocolate spread in sandwiches.*

*Please could all parents make sure that their children have changes of spare clothes with them as we are running low.*
