April/May 2017

Pre-school room

We would like to welcome all the pre-schoolers back and hope you all had a lovely Easter break! We have some new faces in pre-school and hope they enjoy their new environment.

SCHOOL ADMISSIONS- you should find out on 18th April what school your child is going to. Please let us know ASAP what school your child will be attending so we can sort out teacher visits.

We will be doing lots of activities this term on school readiness and promoting independence, letters and sounds, learning to put our shoes and coats on and lots more!

We are doing a pet's board in pre-school, please bring in a picture of your pet so we can put it on the wall.

PLEASE REMEMBER to bring named spare clothes for your child as we are running VERY LOW.

Toddler room

We hope you all have had a lovely Easter and would like to welcome two new faces into the toddler room.

We will be concentrating on our communication and language development this term. By encouraging the children to talk to their peers, lots of stories using visual props and singing. We will be adding to the toddler's vocabulary, by repeating the words they say, e.g. if your child says 'car.' Repeat back, 'Yes it's a blue car.'

PLEASE REMEMBER to bring named spare clothes for your child.

We have had a lot of parents this term arriving early for their sessions, just to remind parents, please do not drop your children off early as we do not have the staff to accommodate this.

THANK YOU

It's getting hot outside! REMEMBER to bring named sun cream and sun hats or your child might not be able to go out.

Just a reminder to parents that we have a NO NUT POLICY at nursery, so please do not include anything that contains nuts in your children's lunchbox.

We are doing a healthy eating topic in both rooms over the summer term, please help us to promote this by providing milk or water in drink bottles.
