June/July 2017

Pre-school room

This summer we will be running a holiday club for pre-schoolers during the 6 week holiday, the times of this are 10am-3pm or 9am-2pm the cost for this is £20 but spaces are limited if you require a space please speak to a member of staff to book your space .

We will be doing lots of activities this term on school readiness and promoting independence, letters and sounds, learning to put our shoes and coats on and lots more!

We are doing a pet's board in pre-school; please bring in a picture of your pet so we can put it on the wall.

PLEASE REMEMBER to bring named spare clothes for your child as we are running VERY LOW.

Toddler room

We will continue to concentrate on our communication and language development this term by encouraging the children to talk to their peers, lots of stories using visual props and singing. We will be adding to the toddler's vocabulary, by repeating the words they say, e.g. if your child says 'car.' Repeat back, 'Yes it's a blue car.'

PLEASE REMEMBER to bring named spare clothes for your child.

We always need items for junk modelling so if you have any small spare cardboard boxes or tubes we would love them!

We have had a lot of parents this term arriving early for their sessions, just to remind parents; please do not drop your children off early as we do not have the staff to accommodate this.

THANK YOU

It's getting hot outside! REMEMBER to bring named sun cream and sun hats or your child might not be able to go out.

Just a reminder to parents that we have a NO NUT POLICY at nursery, so please do not include anything that contains nuts in your children's lunchbox.

We are doing a healthy eating topic in both rooms over the summer term; please help us to promote this by providing milk or water only in drink bottles.
