November 2017

Pre-school room

This week we have been looking at road safety, teaching the children about safely crossing the road.

We have been doing a lot of letters and sounds work, playing lots of fun games to help the children's knowledge of letters and sounds progress.

We are now also starting our Christmas work, doing lots of lovely messy activities!

If any parents have any spare kitchen equipment not needed, for example pots and pans, we would be grateful for them.

PLEASE REMEMBER to bring named spare clothes for your child as we are running VERY LOW.

A kind reminder that if your child is here all day to pack a little extra in their lunch boxes for at lunch time.

We are still looking at our family units and would love any family pictures of you all.

Toddler room

This week we are starting our fun Christmas activities. We will be doing lots of messy play so please lovely parents and carers could we have old or spare clothes at nursery, ones you don't mind getting dirty!

We have moved our room around, making it fresh and new for our lovely toddlers.

PLEASE REMEMBER to bring named spare clothes for your child.

We always need items for junk modelling so if you have any small spare cardboard boxes or tubes we would love them!

We have had a lot of parents this term arriving early for their sessions, just to remind parents, please do not drop your children off early as we do not have the staff to accommodate this.

THANK YOU

Lawrence Godfrey photography will be coming into the nursery Wednesday 22nd November to do nursery photos, please speak to a member of staff if your child is not normally in on this day and we can arrange a time for their photos to be done. You are welcome to bring in nice clothes for the photos and we will happily change your child.

Just a reminder to parents that we have a NO NUT POLICY at nursery, so please do not include anything that contains nuts in your children's lunchbox.

We also have a number of children bringing in juice to drink, a kind reminder that we only offer milk or water throughout the day.
