May 2018

Pre-school room

We can't quite believe were in the last full term before lots of our children go to big school!! It has flown by this year!!

We are enjoying our School readiness topic, Focusing on healthy eating and self-help skills e.g. putting shoes and socks on, you can help by practising this at home.

If any parents have any spare boxes or cartons we are running low for our Junk Modelling box and would be grateful for any donations.

Some parents have been arriving very early for their child's sessions, unfortunately we do not have the staff to accommodate this please arrive at your booked time, the same applies for finish times we do not have enough staff to cover if several parents are late picking up, if you think you will be unavoidably late please ring the nursery as soon as you can and we can make suitable arrangements.
Thank You

Tiddler room

Please only put safe items in your child's bag as these bags are hung up with their coats and sometimes other children access them!!

Children will need a spare set of clothes at nursery, labelled please!!!

This term we have been settling in all of our new children who started in April. We welcome back to Dannielle who returns to us last month.

Please feel free to come and talk to your child's Key person at any time, just for a chat or to look at your child's profile and see what they have been up to.

Please remember Sun cream and a sun hat as it is getting hotter (labelled)

We have had a couple of jumper mix ups this term!! Please label all of your child's clothes especially jumpers, cardigans and jackets.
