April 2019

Pre-school room

This term in pre-school we are focussing on school readiness. We will be practising getting changed for PE, putting our own shoes on and being independent by getting our own drinks.

We are also focussing on toileting, making sure we flush the toilet and wash our hands each time we use it.

We would be really grateful if you could carry on practising at home please.

We will be looking at numbers 1-5 in readiness for school, practising our counting and looking at the value of each number.

We are also practising our tripod grip when writing. We would love for you to also practise this at home.

Could we please remind all parents and carers to stick to their allocated drop off and pick up times please.

Tiddler room

We would like to welcome our new friends that have started with us in the toddler room, its lovely to meet you!

This month in toddlers we have been exploring how our actions affect others. We have been looking at being kind to our friends, sharing well and taking turns.

We would love it if you could bring in pictures of your families, we enjoy looking at them and talking about the different people we love.

Could all parents/ carers please make sure that there are no sweets or chocolate in your children's packed lunches. Many thanks

Please can all parents make sure they are providing nappies and wipes (where needed) and that all children have spare clothes to keep here.

We are kindly asking where possible for parents/carers to provide an extra piece of fruit for our children to try a variety of new fruits.

Thank you!
