### Pre-school room & Toddler room

Tania has settled into pre-school wonderfully and has created some lovely bonds with the children already! This year to get into the Christmas spirit and promote good behaviour Amy has required help from 'elf on the shelf', the elf will leave behind tasks to complete and activities for the children. ### Parent Consultation

This year instead of parents evening we are doing 15-minute appointments during the day, see your child's key worker to book an appointment, we will be doing this 9<sup>th</sup>, 10<sup>th</sup> & 11<sup>th</sup> December

### Christmas Week!

The week starting the 16<sup>th</sup> December will be our Christmas week, where there will be various Christmas themed activities going on, such as baking, making decorations, & Christmas themed play etc. We will be having a mini disco each day to get into the Christmas spirit. If parents could contribute a Christmas themed snack item for the children to enjoy that would be great! (Just remember no nuts 😊)

Can we please make sure the gate is being closed behind you on your way in and out please 😊

**Please can all parents make sure they are providing nappies and wipes (where needed) and that all children have spare clothes in their bag 😊**

**Please could parents label their children's clothes, a lot of jumpers are getting left behind and not being collected, thank you!**
