June 2019

Pre-school room

As we approach the end of term, we are planning our school leavers party. We will be spreading the party over 2 days to ensure that all school leavers are here to participate. We will be having the party between 11 and 1 on the 16th and 18th of July. Children are welcome to come dressed in their best party clothes! You are more than welcome to bring it in and the children can get changed beforehand. We are asking kindly for donations of food. There is a list on reception if you would like to put your name down. Many thanks!

This week we are exploring healthy eating. We have already tasted many new fruits such as apricots and raspberries. We are looking forward to other new flavours.

Could we please remind all parents and carers to stick to their allocated drop off and pick up times please.

Toddler room

We have been having great fun with our messy play in the toddler room. We have also got a new sand and water tray which has been great fun to use!

A big well done to our toddlers as there are now quite a few who have begun their toilet training journey! May we ask please that all children have spare clothes with them just in case of any accidents.

A few parents have been asking if we accept toy donations for the nursery, yes please we love to receive any that you no longer need.

Kind reminder to all parents/ carers that Monday the 22nd July is the last day for 15 hours funded children, any questions please ask a member of staff.

Please can all parents make sure they are providing nappies and wipes (where needed) and that all children have spare clothes to keep here.

As the weather is getting hotter please could all parents/ carers please provide sun cream and sun hats for their children.
