May 2019

Pre-school room

This month we are getting ready for school. We are encouraging independence and school readiness by wearing our dressing up school uniforms. We will be practising getting dressed and undressed ourselves. We will also be exploring where our new schools are on the map and looking at lots of lovely pictures of our new classrooms! We will also be practising our letters and sounds with lots of fun games!

We are also looking at healthy eating, exploring and tasting healthy foods. Please could we have a variety of fruit included in your child's packed lunch.

Could we please remind all parents and carers to stick to their allocated drop off and pick up times please.

Toddler room

This month we are focussing on lots of messy play! Please could all parents/ carers make sure their children have spare clothes with them in case we get mucky.

We are encouraging our toddlers to practise sitting at the tables for their activities, ready for their move up the big room! We are also encouraging lots of independence by using cutlery at lunch time to feed ourselves and helping to clean our faces afterwards.

Kind reminder to all parents/ carers that next week (27th May) is half term, there is no funding, any questions please do not hesitate to ask a member of staff.

Please can all parents make sure they are providing nappies and wipes (where needed) and that all children have spare clothes to keep here.

As the weather is getting hotter please could all parents/ carers please provide sun cream and sun hats for their children.
